

130 Middle Road, Montecito

The address is easy to find, however, parking around the place is very limited.

Although parking can be found along Middle Road and the side roads (except for Oriole Rd. which is too narrow), the best and easiest parking can be found along Coast Village Road. The parking is plentiful there especially on a Saturday late afternoon and at that time it is not monitored.

The walk up to *130 Middle Road* will be short and the entrance to the driveway on your right will be marked by balloons.

Dress code: casual with comfortable shoes

Please note: we have two parking spots in front of the house reserved for handicapped people. Should you have a person with special needs in your group, please give us a call at the number below.
